About Me

Creative Designer with expertise in graphic design, 2D illustration, 3D modeling, and visual storytelling. Experienced in transforming ideas into compelling brand experiences through impactful design, creative direction, and strategic thinking. Skilled in collaborating with clients, managing creative projects, and delivering high-quality visual solutions for brands including Coca-Cola, Samsung, Jeep India, Apollo, and Bingo. Passionate about leveraging AI-powered workflows to create faster, smarter, and more effective creative solutions.
